Properly complete and submit the Prerequisite Worksheet by the deadline to fulfill the registration requirements. Students are expected to accomplish the learning objectives described in Section Two and obtain supervisor verification and sign off. Please read the instructions and complete all required activities. This form must be completed and returned to the California Coroner Training Center registration office 10 business days prior to the first day of the class. Upon receipt of the properly completed form a confirmation number will be sent. Students will not be permitted to attend the course without the confirmation number.
