The Basic Death Investigation Course is designed to develop the death investigation knowledge and skills of newly hired Coroner and Medical Examiner investigators and all Deputy Sheriff Personnel with Coroner responsibilities. The full course provides 80 hours of education delivered in two 40-hour modules. **Module A topics include:** Role of Death Investigators, Death Notification, Infant Death Investigation, Public Administrator, Report Writing, Coroner Law, National Guidelines, Time of Death, Pathology, Disaster Management and Media Relations. See Module B training bulletin for further description of Module B topics.

California POST requires Peace Officer Death Investigators who fall under Penal Code section 830.35 (c) to complete both Module A and B within the first 12 months of their date of appointment. Other courses or education cannot be substituted in lieu of this requirement. Peace Officer Death Investigators who fall within Penal Code section 830.1 are strongly encouraged to complete this course. **LAPTOP AND PROPERLY FITTED PPE MASK REQUIRED.**

This is a 40-hour P.O.S.T. certified Plan IV course that complies with POST Regulation 1005(a) (5) (minimum training standard for peace officer coroners). Course credit is also accepted by ABMDI and may be applied toward continuing education requirements. Full attendance is necessary for course credit and POST reimbursement. Please consider this when making travel arrangements.
